SECTION 8.01 Water. Declarant hereby reserves unto itself, and owns and controls, any and all Water Rights appurtenant to and/or related to the Property. Each Lot shall be subject to, and each Owner, by accepting a deed to a Lot, agrees to be bound by and comply with, any rules or regulations which may be established for the use and rotation of irrigation water between the Lots by the Association. The Association shall have the power to promulgate rules and regulations regarding the use and operation of the Irrigation System, including, but not limited to, the days and times of delivery or use of water to each Lot or the temporary interruption or rationing of irrigation water to be delivered to the Lots, which rules and regulations shall be binding upon each Owner. Each Owner, by the acceptance of a deed to a Lot within the Property, acknowledges that neither the Declarant nor the Association shall be responsible for any interruption or rationing of the delivery of irrigation water to such Owner's Lot if such interruption or rationing results from a cause or condition outside the control of the Declarant and/or the Association, including, but not limited to, an insufficient amount of irrigation water being delivered to the Property or the temporary failure of the equipment or facilities of the Irrigation System. All Owners and occupants shall follow said water rotation schedules and any rules promulgated relative to the use of irrigation water. Failure to adhere to the rotation schedule or rules may result in suspension of the right to use irrigation water.

SECTION 8.04 Liability for Damage. In the event that any maintenance, repair or replacement of all or any portion of the Irrigation System is performed by the Association as a result of the negligent or willful act of an Owner or Occupant, or an Owner's or Occupant's family, guests or invitees, the cost of such maintenance, repair or replacement shall be reimbursed by the Owner or the Occupant to the Association and/or the Association may assess the cost of the same, together with interest, related expenses, including attorney fees, shall be billed to the Owner of the Lot and, if not paid in full within ten (10) days, shall be assessed as a Limited Assessment and collected as set forth herein.

SECTION 8.05 Cost of Maintenance, Repairs, Replacement and Insurance. The cost of the maintenance, repairs, replacement and insurance of the Irrigation System and the continuing operational expenses, if any, including assessments and taxes (hereafter "Irrigation System Expenses"), shall be paid by the Association from the funds of the Association obtained by Regular or Special Assessments against the Lots within the Property. Such Irrigation System Expenses shall be apportioned among the Lots within the Property on an equitable basis. In the event the Association does not have adequate funds to pay the Irrigation System Expenses deemed by the Association to be required, the deficiency shall be assessed to each Lot on an equal basis, as a Special Assessment. The decision as to what costs and expenses are to be included in the Irrigation System Expenses and the timing of the payment thereof shall rest solely with the Board.

There is hereby reserved to the Association, its contractors and agents, an easement to enter upon the Lots within the Property for the purpose of accomplishing all maintenance, repair and replacement rights and duties with respect to the Irrigation System as set forth in this Article.

SECTION 8.07 Reserves. The Association shall have the right to establish a reserve account for the payment of the Irrigation System Expenses and, for the purpose of funding the same, the Board shall have the right to assess each Lot an amount to be included in a Regular or Special Assessment. The amount of said Regular or Special Assessment so determined for the purpose of funding the Irrigation System Expenses and a reserve account relating thereto shall be determined by the Board. The Board shall have the right to place all funds collected for the Irrigation System Expenses in an interest-bearing account in an appropriate financial institution.

SECTION 8.08 Irrigation Agreements. It is understood that the Declarant or the Association shall have the right to enter into a contract with the owner(s) of real property adjacent to or in the vicinity of the Property (hereafter "Adjacent Property") for the use of the Irrigation System to provide irrigation water to such Adjacent Property, such contract to be upon terms and conditions as shall be approved by the Association and, so long as the Declarant owns a Lot within the Property, the Declarant. Any payment by the owner(s) of the Adjacent Property to the Declarant or the Association for a portion of the initial construction/installation costs of the Irrigation System paid by the Declarant shall be the property of the Declarant but any payment to the Declarant or the Association for continuing operating expenses of the Irrigation System shall be the property of the Association and shall be used, to the extent available, to reduce the continuing operating expenses of the Irrigation System which are to be included in the Regular Assessments levied by the Association.

ARTICLE IX ASSESSMENTS

SECTION 9.01 Covenant to Pay Assessments. Each Owner hereby, and by acceptance of a deed to a Lot, covenants and agrees to pay when due all Regular, Special and Limited Assessments or charges made by the Association.

All such Assessments, together with interest, costs and reasonable attorneys' fees which may be incurred in collecting the same, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made, and shall be also the personal obligation of the Owner of such Lot at the time when the Assessment become due and payable. - (b) To cure a deficit in the common and ordinary expenses of the Association for which Regular Assessments for a given calendar or fiscal year are or will be inadequate to pay, as determined by the Board. At the closing of the sale of each Lot by the Declarant, a special assessment in an amount of \$500 (which may be adjusted by the Board from time to time) shall be collected from the purchaser of the Lot as payment to the Association for the set-up costs. Upon the transfer of ownership of a Lot by an Owner to a third party, a transfer fee in an amount of \$500 (which may be adjusted by the Board from time to time) shall be payable by the Owner to the Association, provided, that no transfer fee shall be payable if the Lot was purchased by a builder from the Declarant and within one (1) year thereafter sold and transferred to a third Party.

The Board shall levy a Limited Assessment against the Owner of the Lot owned by said Owner to pay for the cost of such maintenance and repair, completion and/or removal, and any other cost or expense, including attorneys' fees, arising out of or incident to such maintenance and repair, completion, and/or removal and the Assessment therefore;

- (b) Correction of Violations. In addition to maintenance and repair, the Board, upon certification from the ACC of the failure or refusal of an Owner to correct a violation of this Declaration or the ACC Rules, shall have the power to correct any such violation on a Lot or any Improvement on a Lot, and incur costs necessary in connection therewith. The cost of such corrective action, together with interest, related expenses and attorneys' fees shall be assessed and collected as set forth in this Article X and Article XI of this Declaration; and
- (c) Limited Purpose. The Association shall have the power to levy a Limited Assessment against Owners and Lots for any limited special purpose which the Board believes necessary with respect to certain Lots but not an appropriate expense for payment by the Association. Such Limited Assessment shall not be made until the Owners of said Lots subject thereto have been given an opportunity, after notice, to participate in a hearing with respect to said Limited Assessment.

SECTION 9.05 Commencement of Regular Assessments. Regular Assessments of the Association against each Lot shall commence the date of the closing of the first sale of a Lot to an Owner. Provided, however, that any Lot owned by the Declarant shall be assessed a Regular Assessment not exceeding ten percent (10%) of the amount assessed against Lots owned by other Owners. If the Declarant pays all or any portion of the expenses of the Association in excess of the amount assessed to Lots owned by the Declarant, such excess amounts so paid shall constitute either (i) a prepayment of Assessments (Regular and Special) to become due and payable on the Lots owned by the Declarant within the Property, or (ii) a loan by the Declarant to the Association, which loan, without interest, shall be repaid by the Association to the Declarant from the funds of the Association which are available to make such repayment. Nothing herein contained shall obligate the Declarant to pay any Assessment with respect to a Lot within a separately platted phase or subdivision within the Property in which the Declarant owns all of the Lots.

SECTION 9.06 Uniform Rate of Assessment. Except as expressly provided to the contrary in this Declaration, Regular and Special Assessments of the Association shall be fixed at a uniform rate for all Lots.

SECTION 9.07 Assessment Due Date. The due dates for Regular, Special and Limited Assessments shall be the first day of the first month of each calendar quarter, unless some other due date is established by the Board. Each installment of an Assessment shall be delinquent if not paid within fifteen (15) days after the due date thereof. Nothing herein contained shall prohibit the Board from requiring that Special or Limited Assessments be paid in a lump sum instead of installments.

SECTION 9.08 Interest and Penalties. Any Regular, Special or Limited Assessment levied by the Association on Lots, if not paid when due, shall bear interest at an annual rate as shall be set by the Board from time to time, or if none is so set, at an annual rate of twelve percent (12%). Such interest shall commence on the date the Assessment becomes due and payable. In addition to the interest charge the Board may, in accordance with rules and regulations promulgated by it, impose additional fines or charges for the failure of an Owner to timely pay any Assessment when due. The right of the Board to charge interest or impose additional fines or charges shall be in addition to, and not in lieu of, any other right of enforcement or sanction available to the Board in the event of non-payment of an Assessment.

SECTION 9.09 Estoppel Certificate. The Association, upon not less than twenty (20) days prior written request, shall execute, acknowledge and deliver to the party making such request a statement in writing stating whether or not to the knowledge of the Association, a particular Owner is in default under the provisions of this Declaration and further stating the dates to which Assessments have been paid by said Owner, it being intended that any such certificate delivered pursuant to this Section may be relied upon by any prospective purchaser or Mortgagee of said Lot, but reliance on such certificate may not extend to any default as to which the signer shall have had no actual knowledge. The Association shall have the right to charge a reasonable fee for the certification herein provided.

SECTION 9.10 Notice and Quorum Requirements. Notwithstanding anything to the contrary contained in either the Articles or the Bylaws of the Association, written notice of any meeting called for the purpose of levying a Special Assessment described in Section 9.03, above, or a Limited Assessment described in Section 9.04, above, shall be sent to each Owner whose Lot is subject to the levy of such Special or Limited Assessment not less than ten (10) nor more than fifty (50) days in advance of the meeting. The presence of sixty percent (60%) of the Owners, who have voting rights in the Association, either in person or by proxy, shall constitute a quorum. If the required quorum is not present, the meeting may be rescheduled by the Board for a date not later than sixty (60) days after the date of initial meeting and at the rescheduled meeting the presence of ten percent (10%) of the Owners who have voting rights in the Association, either in person or by proxy, shall constitute a quorum. No written notice of the rescheduled meeting shall be required. Notwithstanding the foregoing, in a case involving the levying of a Limited Assessment on a Lot, as provided in Section 9.04, above, there shall be no requirement of a quorum at a meeting rescheduled because of a lack of the required quorum at the initial meeting, and the Board may approve and levy such Limited Assessment even though the Owner of the Lot subject thereto is not present in person or by proxy.

ARTICLE X
ENFORCEMENT OF ASSESSMENTS

SECTION 10.01 Right to Enforce. The right to collect and enforce payment of the Assessments made by the Association is vested in the Association. Each Owner of a Lot hereby agrees to the enforcement of the payment of all Assessments in the manner herein provided. In the event an attorney is employed for the collection of an Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of any of the terms and conditions of this Declaration, the Owner against whom such enforcement is sought shall pay reasonable attorneys' fees in connection therewith.

SECTION 10.02 Creation of Assessment Liens. There is hereby created a continuing claim of lien with power of sale on each and every Lot to secure payment of any and all Assessments levied against any and all Lots within the Property pursuant to this Declaration, together with interest thereon and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. Said lien shall be prior and superior to all other liens (including Mortgages and/or Deeds of Trust) or claims created subsequent to the recordation of this Declaration except only for: (i) valid tax and special assessment liens on Lots in favor of any governmental unit assessing authority; (ii) a lien for all sums unpaid and secured by a first Mortgage or first Deed of Trust, duly recorded in Ada County, Idaho, including all unpaid obligatory advances to be made pursuant thereto, in which the first Mortgagee has been given and made in good faith and for value, which first Mortgage or first Deed of Trust is of record as an encumbrance against such Lot prior to the recordation of an Assessment claim of lien; and (iii) labor or materialmen's liens, if the same are prior and superior by reason of applicable law. Except as expressly provided in this Section 10.02, the sale or transfer of any Lot shall not affect the Assessment lien provided for herein, nor the creation thereof by the recordation of a claim of lien, on account of the Assessments becoming due whether before, on, or after the date of such sale or transfer, nor shall such sale or transfer diminish or defeat the personal obligation of any Owner for delinquent Assessments as provided for in this Declaration.

All other lien holders acquiring liens on any Lot after recordation of this Declaration shall be deemed to consent that such liens shall be inferior liens to the lien for Assessments levied by the Association, whether or not such consent is specifically set forth in the instruments creating such other liens.

SECTION 10.03 Notice of Assessment. If an Owner fails to pay an Assessment within thirty (30) days of its due date, the Association shall prepare a written Notice of Assessment setting forth the type of

Assessment, the amount of the Assessment, the due date thereof, including the amount and due date of installments (if the same are permitted), the amount remaining unpaid at the time of filing, the name of the record Owner of the Lot and a legal description of the Lot. Such Notice shall be signed by the President and Secretary of the Association, acknowledged by a Notary Public and recorded in the office of the Ada County Recorder. At such time as a delinquent Assessment which is described in the Notice is paid, the Association shall prepare and record a Notice of Satisfaction with respect thereto.

SECTION 10.04 Enforcement. Upon the failure of an Owner to pay an Assessment in accordance with its terms, the lien for Assessment herein created may be enforced by sale by the Association, such sale to be conducted in the manner provided by law in Idaho for the exercise of the power of sale in Deeds of Trust or in any other manner permitted by law elected by the Board. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, including all reasonable attorneys' fees. All such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any Assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire and thereafter hold, convey, lease, rent, encumber, use and otherwise deal with and in said Lot as the Owner thereof.

SECTION 10.05 Notice Required. Notwithstanding anything to the contrary contained in this Declaration, no action may be brought to foreclose the lien for any Assessment, whether by power of sale or otherwise, until the expiration of thirty (30) days after written Notice of Default has been deposited in the United States mail, certified or registered mail, postage prepaid, return receipt requested, addressed to the Owner of the Lot described in such Notice at the last known address of the Owner as shown on the books and records of the Association. Said Notice shall specify the amount and due date of the unpaid Assessment(s) and the legal description of the Lot.

SECTION 10.06 Reporting. The Association shall provide a Mortgagee with a copy of a Notice of Default served on an Owner under Section 10.05, above. The duty to give such Notice shall arise only after said Mortgagee furnishes to the Association written notice of a Mortgage (or Deed of Trust) which shall contain the following:

- (a) The name and address of said Mortgagee;
- (b) A legal description of the Lot subject to the lien of the Mortgage by Lot, Block and Subdivision;
- (c) The name and address of the Owner;
- (d) The date the lien of the Mortgage was filed of record in Ada County, Idaho, and the instrument number thereof;

- (e) The maturity date of the obligation secured by said Mortgage lien;
- (f) A copy of a title insurance report evidencing that the Mortgagee is the holder of a first Mortgage or the beneficiary of a first Deed of Trust;
- (g) The signature of the Mortgagee or authorized agent.

In the event the Association shall be required to notify a Mortgagee as herein provided, the Association shall assess the Owner who is delinquent an amount for such notification and such charge shall be a cost of collection secured by the Assessment lien described in Section 10.02, above, as such amount is determined by the Board from time to time.

SECTION 10.07 Non-Exclusive Remedy. The remedies set forth in this Article or elsewhere in this Declaration shall not be deemed to be an exclusive remedy and the Association may pursue all other remedies available at law or in equity.

ARTICLE XI ARCHITECTURAL CONTROL COMMITTEE

SECTION 11.01 Members of the Committee. The ACC shall be comprised of at least two (2) persons, all of whom shall be appointed as herein provided. A member of the ACC shall hold office until he has resigned or has been removed, but in any event, until said Member's successor has been appointed. Members of the ACC may be removed at any time, with or without cause.

SECTION 11.02 Appointment. For so long as Declarant exercises its rights as Declarant, the Declarant shall have the sole right to appoint and remove all members of the ACC. Thereafter, all members of the ACC shall be appointed or removed by the Board. The ACC shall have the right by a resolution in writing unanimously adopted, to designate one (1) of its members to take any action or perform any duties for and on behalf of the ACC. In the absence of such designation, the vote of any two (2) members of the ACC shall constitute an act of the ACC.

SECTION 11.03 Compensation. The members of the ACC shall not receive compensation for services rendered, but shall be reimbursed for actual expenses incurred by them in the performance of their duties hereunder. Nothing herein shall prohibit or restrict the ACC from contracting with a member of the ACC who is professionally qualified as an architect, engineer or designer for the review of the plans and specifications described in Section 11.07, below.

SECTION 11.04 Non-Liability. Neither the Board, ACC, Declarant (and in the case of an Owner, the Association), or any member, partner, officer, employee, agent, successor or assign thereof, shall be liable to the Association, any Owner or any other person, for any claim, cost, loss, damage or injury arising out of or connected with the performance of the

powers, duties and/or responsibilities in the Project Documents, by reason of a mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve an application, and/or determinations related to violations and enforcement of this Declaration and/or ACC Rules. Every person who submits an application to the ACC for approval of plans and specifications agrees, by submission of such an application, and every Owner or Occupant of any Lot agrees, by acquiring title thereto or an interest therein, not to bring any action or suit against the Association, the ACC, or any member thereof, or the Declarant or any officer, partner, employee, agent, successor or assign regarding the above.

SECTION 11.05 Approval Required. No construction, alteration, modification, removal or destruction of any Improvements of any nature whatsoever, whether real or personal in nature, shall be initiated or be permitted to continue or exist within the Property without the prior express written approval of the ACC.

SECTION 11.06 Variances. The ACC may authorize variances from compliance with the requirements of any conditions and restrictions contained in this Declaration, the ACC Rules, or any prior approval when, in the sole discretion of the ACC, circumstances such as topography, natural obstructions, aesthetics or environmental considerations or hardship may so require. Such variances must be evidenced in a writing signed by at least two (2) members of the ACC.

If a variance is granted as provided herein, no violation of this Declaration, ACC Rules or prior approval shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration or the ACC Rules for any purpose except as to the particular subject matter of the variance thereof and the specific Lot covered thereby.

The ACC shall have the right to consider and grant a variance as herein provided either with or without notice to other Owners or a hearing of Owners thereon.

The granting of a variance by the ACC pursuant to this Section shall not relieve the Owner from the obligation to fully comply with the ordinances of the City of Eagle, Idaho, applicable to the Property.

SECTION 11.07 Application. To request ACC approval for the construction, alteration, modification, removal or demolition of any Improvements within the Property, the Owner shall submit a written application in a form required by the ACC which must be signed by the Owner and contain all information requested and be accompanied by all other material to be submitted as hereafter provided and be accompanied by a design review fee of \$1,000. A \$500 review fee will be charged for all additional reviews and/or for separate landscape plan reviews outside of the initial review (which may be adjusted by the ACC from time to time).

All applications must contain, or have submitted therewith, the following material (collectively called "plans and specifications") prepared in accordance with acceptable architectural standards and submitted with the application form, if any, approved by the ACC:

A landscape plan for portions of the Lot to be landscaped, including the Street Landscape Buffer (as defined in Section 5.13(b), above), which shall show the location, type and size of trees, plants, ground cover, shrubs, berming and mounding, grading, drainage, sprinkler system, fences, freestanding exterior lights, driveways, parking areas and walkways, and which will promote water efficient landscape practices in compliance with applicable ACC Rules; and
- (d) Evidence of Cost. Such evidence of the cost of the Improvements as shall be satisfactory to the ACC to assure compliance with the requirements, if any, of the ACC Design Standards.

The ACC may, in its discretion, require the Owner to furnish additional specifications, drawings, material samples or such other information as the ACC, in its sole discretion reasonably exercised, shall deem necessary or convenient for the purpose of assisting the ACC in reviewing and processing the application.

SECTION 11.08 Completion Security Deposit. At the time of the submission of the application under Section 11.07, above, the Owner shall deposit with the ACC, as a completion security deposit (hereafter "Completion Deposit"), as such amount is determined by the ACC from time to time, initially \$2,500. The Completion Deposit shall be held by the ACC as security for the completion by the Owner of the Improvements on the Lot as approved by the ACC, as required by for the completion of Improvements described in Section 5.03 and landscaping as provided in Section 5.25. If an Owner meets the completion deadlines and requests return of the Completion Deposit in writing within sixty (60) days after such deadlines have passed, the Completion Deposit shall be returned to the Owner without interest. If the Owner fails to complete such Improvements, and/or fails to request return of such Completion Deposits within such designated periods stated above, the ACC shall have the right

to: (a) deduct from such Completion Deposit the amount of any penalties, off-sets and costs as set forth in this Declaration or the ACC Rules, including any costs which may be paid or incurred by the Association or a third party to complete or remove such Improvements, as the case may be; and (b) deduct the Inspection Fee(s) payable by an Owner to the ACC under Section 11.17, from the Completion Deposit. Any remaining Completion Deposit shall be forfeited by Owner, and shall be retained for the Association's and/or the ACC's use for any purpose, free and clear of any interest of the Owner.

SECTION 11.09 Decision. In reviewing the application and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgment to assure that all Improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain the Property as a quality residential development.

Unless extended by mutual consent of the Owner and the ACC, the ACC shall render its decision with respect to an application within forty-five (45) days after the receipt of a properly submitted application. The decision of the ACC can be in the form of an approval, a conditional approval or denial. The decision of the ACC shall be in writing, signed by a member of the ACC, dated, and a copy thereof mailed to the Owner at the address shown on the application.

A conditional approval shall set forth with particularity the conditions upon which the application is approved and the Owner shall be required to affix a copy of said conditions to the working drawings or blueprints which are to be kept on the job site during the entire course of the work to which said plans relate.

A denial of an application shall state with particularity the reasons for such denial.

SECTION 11.10 Inspection and Complaints. The ACC is empowered to inspect all work in progress on any Lot at any time. Such inspection shall be for the purpose of determining whether the Owner is proceeding in accordance with the approved application or is deviating therefrom or is violating this Declaration or the ACC Rules or the approved plans and specifications.

The ACC is empowered to receive from other Owners ("Complainant") complaints in writing involving deviations from approved applications or violations of this Declaration or any applicable ACC Rules. In the event the ACC receives such a complaint from a Complainant, it shall first determine the validity of such complaint by inspection or otherwise.

Should the ACC determine that there has been a deviation or a violation, it shall promptly issue a notice in writing thereof to the Owner and to the Complainant, which notice shall specify the particulars of the deviation or violation and shall demand that the Owner conform to either or both of the following directives:

- (a) The Owner shall immediately cease the activity which constitutes a deviation or violation; and
- (b) The Owner shall adhere to the corrective measures set forth in the written notice.

Should the ACC determine there has been no deviation or violation, it shall promptly issue a notice of such determination to the Owner and the Complainant.

SECTION 11.11 Hearing. An Owner submitting an application under Section 11.07, above, or served with a written notice of deviation or violation, or a Complainant shall have the right to request and be heard at a hearing held by the ACC for the purpose of presenting facts and information to the ACC. Such hearing must be requested by such party within ten (10) days from the date the written notice of the decision of the ACC is mailed to the Owner (and Complainant) as evidenced by the records of the ACC. The hearing shall be held within ten (10) days following receipt by the ACC of the request for a hearing, unless the ACC shall extend said period of time because of the unavailability of ACC members. A hearing may be continued by the ACC for the purpose of further investigation or to receive additional evidence. Upon completion of the hearing, the ACC shall issue a written opinion to the involved parties within ten (10) business days thereafter which opinion shall set forth the findings of the ACC with respect to the matters at issue and shall affirm, modify or rescind its previous decision as contained in the original written notice. If the ACC incurs any costs or expenses in connection with the investigation, processing or hearing on a matter involving a deviation or violation, including the costs of retaining a consultant(s) to advise the ACC and legal fees, such costs shall be paid by the Complainant unless an Owner is found to be in violation, in which event such Owner shall pay all such costs. The payment of such costs shall be enforceable as provided in Section 11.13, below.

SECTION 11.12 Appeal. Either an Owner or a Complainant shall have the right to appeal to the Board a decision of the ACC on an application with respect to the conditions imposed thereon or a denial thereof, or a decision of the ACC adverse to the Owner or the Complainant reached following a hearing held pursuant to Section 11.11, above, provided, however, that neither an Owner nor a Complainant shall be entitled to such an appeal with respect to deviations or violations unless said Owner or Complainant has participated in the ACC hearing.

A notice of appeal shall be in writing and shall be delivered by mail to the Secretary of the Board within ten (10) days from the date of the decision by the ACC. Said notice of appeal shall be dated and shall contain the name of the Owner and the Complainant, if any, and a copy of the written decision or determination of the ACC. The failure of an Owner or Complainant to appeal a decision of the ACC in the manner and within the time herein provided shall terminate all rights of said Owner or Complainant to appeal said decision and it shall be binding and enforceable.

The Board shall fix a date for the hearing of such an appeal which date shall be no later than ten (10) days from the date of receipt of a notice of appeal unless extended by the Board because of the unavailability of Board members. The Owner and Complainant, if any, shall be advised of the time and place of the hearing by a mailed written notice. Written notice of time and place for hearing shall also be served by mail upon each member of the ACC.

The Board may require the Owner or Complainant to provide additional information to facilitate the Board's decision and the failure of such party to comply promptly with such a request shall entitle the Board to deny the appeal, in which event the decision by the ACC shall be considered final and not subject to further appeal.

At the hearing the Owner, Complainant, if any, and the ACC, together with their representatives and other witnesses, shall present their position to the Board. The order of presentation and the evidence to be admitted shall be solely within the discretion of the Board provided, however, that the Owner, the Complainant, if any, and the ACC shall have the opportunity to question and cross-examine witnesses presented by the other. The Owner, the Complainant, if any, and the ACC will have the opportunity to present final argument consistent with rules adopted by the Board for such hearing process. Any party may be represented by an attorney at any hearing by the ACC or the Board.

Upon receiving all of the evidence, oral and documentary, and following the conclusion of the hearing, the Board shall retire to deliberate and shall reconvene at a time and place determined by the Board, at which time the Board shall cast its official ballot and the decision shall be duly recorded in the minutes of the meeting. The Owner, the Complainant, if any, and the ACC members shall be given written notice of the decision which shall be deemed given when deposited in the United States mail, postage prepaid and properly addressed.

If the Board incurs any costs or expenses in connection with the investigation, processing or hearing on an appeal, including the costs of retaining a consultant(s) to advise the Board and legal fees, such costs shall be paid by the party(s) filing the appeal unless the decision by the Board constitutes a substantial reversal of the decision of the ACC, in which event such costs shall be paid by the Association. If the party filing the appeal is obligated to pay such costs, payment of the same shall be enforceable as provided in Section 10.13, below.

A decision of the Board of an appeal shall be final and shall not be subject to reconsideration or further appeal.

SECTION 11.13 Enforcement. The ACC, upon approval by the Board, shall be authorized on behalf and in the name of the Association to commence such legal or equitable proceedings as are determined by it to be necessary or proper to correct or enjoin any activity or condition existing within the Property, the continuation of which violates the provisions of this Declaration, the ACC Rules or the approved plans and specifications. The ACC shall not commence such legal or

equitable proceedings until a written notice of the deviation or violation has been appropriately prepared and given to the Owner but thereafter the ACC shall have the sole discretion to commence such proceedings.

The authority of the ACC as herein provided shall include the power to retain legal counsel and expert witnesses, pay filing fees, deposition costs, witness fees and all other ordinary and necessary expenses incurred in commencing and carrying out said legal or equitable proceedings, all of which costs shall be paid by the Association.

In the event the ACC and/or Association shall prevail in any such legal or equitable proceedings, all costs and expenses incurred in connection therewith including, but not limited to, attorneys' fees shall be reimbursed to the Association by the Owner against whom said proceedings are filed and upon the failure of said Owner to reimburse the Association within five (5) days after written demand therefor is mailed to the Owner, the Association shall have the right to levy a Limited Assessment against the Owner and the Lot owned by the Owner which Assessment shall be equal to said costs and expenses incurred plus any additional costs and expenses incurred in levying the Assessment. Said Limited Assessment shall be due and payable at such time or in such installments as may be determined by the Board, in its sole discretion. The failure of the Owner to pay said assessments, or any installment thereof when due, shall be enforceable in the manner provided in Article X, above.

SECTION 11.14 Additional Damages. In addition to the costs and expenses to be reimbursed by the Owner or the Complainant, all other costs, expenses and damages determined by the Board to be proximately caused by the deviation or violation or the costs and expenses incurred by the Association to correct the same shall be assessed as a Limited Assessment against the Owner and the Lot owned by said Owner, or the Complainant and the Lot owned by the Complainant, as the case may be, which Limited Assessment shall be due and payable at such time or in such installments as determined by the Board, in its sole discretion. The right of the Board to enforce said Limited Assessment shall be the same as provided in Article X, above.

SECTION 11.15 Non-Exclusive Remedy. The right of the Association to levy a Limited Assessment as described in Sections 11.13 and 11.14, above, shall not be deemed to be an exclusive remedy of the Association and it may, in its sole discretion, without waiver of any other legal or equitable remedy, pursue enforcement of the lien of said Limited Assessment(s), proceed to collect any amount due directly from the Owner and/or pursue any other remedies available at law or in equity.

SECTION 11.16 Private Rights. The Association shall not mediate or litigate a "private dispute" between Owners. As used herein, a "private dispute" shall mean a dispute to which either of the following apply: (i) the Association has determined that there is no violation of this Declaration or the ACC Rules, or other Project Documents; and/or (ii) in the sole discretion of the Board, the Board

determines that the neither the interests of the Association or a substantial number of the Owners would be benefitted by the Board and/or the Association's mediation and/or litigation of such dispute.

SECTION 11.17 Inspection Fee(s). The ACC shall have the right to charge an Owner an inspection fee (hereafter "Inspection Fee") as determined by the ACC from time to time for each inspection of the Improvements constructed on a Lot if the initial inspection, reveals that the Improvements do not comply with the approved application or is deviating therefrom or is violating this Declaration or the ACC Rules or the approved plans and specifications, and an additional inspection(s) is required to assure such compliance. Any collection of Inspection Fee(s) so charged by the ACC to an Owner shall be enforceable as provided in Section 11.13, above.

Additional property may be annexed to the Subdivision and brought within the provisions of this Declaration by the Declarant, at any time, without the approval of any Owner or the Association. To annex additional property to the Subdivision, the Declarant shall record a Supplemental Declaration to this Declaration which shall specify the annexation of the additional property to the Subdivision and which may supplement this Declaration with additional, amended or different covenants and restrictions applicable to the annexed property, as the Declarant may deem appropriate, and may delete or modify as to such annexed property such covenants as are contained herein which the Declarant deems not appropriate for the annexed property, so long as the additional, different, deleted or modified covenants or restrictions. This Section shall extend to and apply also for the indemnification of the Declarant during the initial period of operation of the Association or prior thereto during the period the Declarant is exercising the powers of the Association.

SECTION 13.07 Notices. Any notice permitted or required to be delivered as provided in this Declaration shall be in writing and shall be delivered either personally or by mail. SECTION 13.08 Interpretation. The provisions of this Declaration and any Supplemental Declaration shall be liberally construed to effectuate the Project Objectives set forth in Article IV, above, and shall be construed and governed by the laws of the State of Idaho. SECTION 13.10 Not a Partnership. The provisions of this Declaration are not intended to create, nor shall they be in any way interpreted or construed to create a joint venture, partnership or any other similar relationship between the Owners, including the Declarant.

The right of injunction shall be in addition to all other remedies set forth in this Declaration or provided by law.

SECTION 13.13 Breach Shall Not Permit Termination. It is expressly agreed that no breach of this Declaration shall entitle any Owner to terminate this Declaration, but such limitation shall not affect in any manner any other rights or remedies which such Owner may have hereunder by reason of any breach of this Declaration. Any breach of this Declaration shall not defeat or render invalid the lien or security of any lien holder made in good faith for value, but this Declaration shall be binding upon and be effective against any Owner whose title is acquired by foreclosure, trustee's sale or otherwise.
